

Technical services order forms «ANALITIKA EXPO 2026»

TECHNICAL MANAGER:

DMITRY RASTOPCHIN

DMITRIY.RASTOPCHIN@ITE.GROUP

+7 999 990 30 90

HOW TO FILL THE FORMS?

This document contains several Forms, each Form allows to order specific services.

For your convenience there is an Index on the next page.

For participants with an unequipped area, independently or through a third party stand builder building their stand, the last page of this document, FORM T, is mandatory for submitting, in addition to forms with services.

FORM T is a summary table of ordered services via forms. An invoice is issued based on this document.

For participants with the Standard Shell scheme Plus and Standard Premium, the last two pages of this document are mandatory for submitting, in addition to the forms with services: FORM T and a fascia inscription with a sketch of the stand, which must be signed.

FORM T is a summary table of ordered services via forms. An invoice is issued based on this document.

A sketch of the stand and a fascia inscription – a sketch of the stand is drawn by the participant by hand to better understand the desired arrangement of furniture and other elements on your stand. The desired text of the fascia inscription, the color of the inscription and the color of the carpet on the stand are also indicated here.

INDEX

Form Name	Page
Standard Shell scheme Plus	23

CUSTOM BUILD STANDS

Dear exhibitors,

Event Organizer - ITE GROUP - offers you a special service:

Custom build stand.

If you want your stand to fully reflect your corporate identity, using original and interesting design solutions to demonstrate your products and services as effectively as possible, we can help you.

Ordering a custom build stand will allow you to: save time, optimize your budget, and receive a full range of quality stand services from your personal manager.

The professionalism and experience of the Organizer will help you avoid complications associated with building a custom stand and guarantee a successful participation in the exhibition.

A whole range of additional services are included:

- Developing an original stand design
- Planning the stand in 3D
- Designing and approving the necessary documentation (strength calculation, electrical plan, fire safety acts, insulation resistance measurement acts, etc.)
- Selecting decorative elements, individual furniture and flower arrangements
- Controlling and supervising stand construction
- Ordering technical connections and services - power, water, compressed air, daily cleaning and stand security etc
- Ordering of presentation equipment, plasma screens, video walls and LED screens

If you are interested in this service, please fill out this form and send it to the Organizer via fax or email:

☺ **Stanislav Astashevskiy**

T1: TEMPORARY STAFF, CLEANING AND CAR PARKING PASSES

Send this form to ITE Group Technical Service Department:

**NOT LATER THAN
22/02/2026**

☺ Dmitry Rastopchin

☎ +7 999 990 30 90

📧 Dmitriy.Rastopchin@ite.group

✉ 3, bldg. 2, Verkhnyaya Krasnoselskaya, Moscow

	<i>Service</i>	<i>Price, EUR</i>	<i>QTY</i>	<i>Total, EUR</i>
--	----------------	-------------------	------------	-------------------

1. TEMPORARY STAFF

1.1 INTERPRETERS

Price per 1 day *QTY* *Total, EUR*

Type 1	Interpreter Russian-European languages, per day	289		
Type 2	Interpreter Russian-Oriental languages, per day	335		

Not all languages are available. Only consecutive translation available. Please contact your technical manager for more information before ordering an interpreter. In the event of a late cancellation (up to 3 weeks before the start of the exhibition), the company must pay a cancellation penalty of three times the daily cost of the service ordered.

1.2 STAND ATTENDANT, basic English knowledge, per day

335

1.3 SECURITY

Cost per 1 shift *QTY* *Total, EUR*

1.3.1 Security guard (10:00 – 18:00)	417		
1.3.1 Security guard (10:00 – 18:00)	624		

Large stands may require more than one security guard. During the set-up and dismantling of the exhibition, the pavilions may not close at 20:00. Order of security guard service during set-up / dismantling is possible 1 day before and if service is available.

2. DAILY STAND CLEANING (FLOOR COVERING ONLY) *

Price per 1 sq.m. for exhibition period *Sq.ms* *Total, EUR*

2.1 Stand's floor covering cleaning, Vacuum, per sqm	20		
2.2 Stand's floor covering cleaning, Wet wiping, per sqm	20		
Discounts for cleaning: 100 sq.m. – 5%, 200 sq.m – 10%, 300 sq.m. – 15%, 400 sq.m. – 20%	% discount		Total amount (including discount)

ATTENTION! All cleaning works at the Exhibition Center is carried out exclusively by Crocus Expo, the exception is cleaning, wiping, and polishing of exhibits. Involvement of third-party companies for cleaning the space on the territory of the Exhibition Center is not allowed. **Self-dependent works with the use of technical means for cleaning the space on the territory of the Exhibition Center is prohibited**

3. CAR PARKING PASSES

3.1. Car Pass to VIP-parking for Exhibition period (08:00-20:00)

335

The parking pass allows you to park your vehicle in the special area near to the pavilion entrance. The registration number of the car must be entered in the pass. Exchange of passes in case of car number change **is not possible**.

The pass is valid from 8:00 to 20:00. Night parking is prohibited.

The parking pass does not allow access to the loading/unloading zones.

The parking pass is not valid for promotion and advertising campaigns and for promotion vehicles.

Passes are not valid for cargo trucks and minibuses.

Total for Form T1:

T2.1: ELECTRICITY, WATER AND COMPRESSED AIR

Send this form to ITE Group Technical Service Department:

NOT LATER THAN
22/02/2026

☺ Dmitry Rastopchin ☎ +7 999 990 30 90
 📧 Dmitriy.Rastopchin@ite.group ✉ 3, bldg. 2, Verkhnyaya Krasnoselskaya, Moscow

<i>Service</i>	<i>Price, EUR</i>	<i>QTY</i>	<i>Total, EUR</i>
1. ELECTRICITY			
1.1 ELECTRICITY FOR SPACE ONLY SITES*			
1.1.1 Electricity 5 kW	1 229		
1.1.2 Electricity 10 kW	1 787		
1.1.3 Electricity 20 kW	2 803		
1.1.4 Electricity 40 kW	4 342		

* Connection of electric supply to stands should be done by exhibitors themselves (or their stand builders) in observation of the Requirements for electrical and technical work and for those carrying it out.

Stands must be equipped with a fuse box, and a cable corresponding to the section load (at least 30 m. in length) must be supplied from the stand to the power source. Direct connection of exhibits to power sources in the pavilion (machine tools, industrial items) is allowed if the requirements above are followed. In this case, power supply should be ordered for each exhibit separately.

- Power supply points in the halls are equipped with 16A, 32A, 63A and 125A type ABB electric sockets.

- Connecting exhibitors' electrical equipment to power supply point's takes place after the insulating resistance of the connected electric circuit has been measured.

⚠ For fire safety reasons at the end of your day please turn off lights at your booth.

General builder at Crocus Expo exhibition Centre reserves the right to disconnect the main power supply to the booth from the mains of the exhibition complex in case, if the lighting has not been turned off by the participant.

1.2 ELECTRICITY FOR STANDARS SHELL SCHEME PLUS AND PREMIUM STANDS

1.2.1 Electricity 2 kW *	852		
1.2.2 Electricity 5 kW *	1 343		
1.2.3 Electricity 10 kW *	1 917		
1.2.4 Electricity 20 kW *	2 827		
1.2.5 Electricity 40 kW *	4 465		

* Order of electricity for equipped stands includes supply, consumption and one socket (220V-1kW) for Standard Plus Shell Scheme (for Premium Shell Schemes, see description).

To make full use of the power supply - additional sockets, lights, etc. can be ordered with **Form T4.3**

ATTENTION!

When connecting a power consumer with a capacity above 10kW on an equipped stand, or setting up an internal power supply network, you must comply with the conditions for connecting an electricity supply for space only sites (see above).

The set-up of exhibition equipment and the connection of electrical equipment (except for exhibits) within the standard plus stand is an independent building and is subject to paid accreditation.

These requirements apply, among other things, to mobile stands with electric lighting equipment, and to showcases.

The use of household extension cords ("network filters") to connect lighting equipment and household appliances is prohibited. For approval of the lighting equipment used on mobile stands and in shop windows, you need to contact the technical department of BuildExpo LLC.

T2.1: ELECTRICITY, WATER AND COMPRESSED AIR

Send this form to ITE Group Technical Service Department:

NOT LATER THAN
22/02/2026

☺ Dmitry Rastopchin ☎ +7 999 990 30 90
📧 Dmitriy.Rastopchin@ite.group ✉ 3, bldg. 2, Verkhnyaya Krasnoselskaya, Moscow

Service	Price, EUR	QTY	Total, EUR
2. WATER			
2.1 Cold water supply *	1 370		
2.2 Hot water supply * (available only together with cold water connection)	619		
2.3 Single fill/removal into a container for 1 m ³	409		
2.4 Additional charge for water supply to the second floor of the stand	191		

* In case more than one unit of technological equipment is connected to the water supply and/or sewage source, or water is poured/drained into several tanks, each such connection shall be ordered separately.

Water connection to the second floor of a 2-storey booth is subject to an additional charge for each connection (hot or cold water).

Outside the pavilion, water connection is not provided, only one-time pouring/draining of water into a container (pool, bathtub, etc.) is possible upon separate request.

Sanitary equipment with faulty shut-off valves and water drainage system is not connected.

Supply is by ½" hoses (internal diameter 12.5 mm), drainage by 32 mm hoses.

Sinks are not included but can be ordered on Form T4.3 (only for equipped stands).

We recommend ordering hot and cold-water connections to connect the sink to the equipped area, as the sinks are not equipped with a boiler.

3. COMPRESSED AIR

3.1 Compressed air connection, up to 30m ³ /hour (6kg/sq.sm)	1 252		
3.2 Compressed air connection, over 30m ³ /hour (6kg/sq.cm)	1 770		

Pipes have an inner diameter of 12,5 mm. If you need another diameter you need to bring your own adapter.

Compressed air is not available on the second floor of Pavilion 2. If you have more than 1 item to be connected, please order the according number of connections.

⚠ Compressed air is connected on the last day of set-up. Compressor operating hours during the exhibition from 10:00 to 18:00 (on the last day of the exhibition until 16:00).

2.4 LED TV 65"	1 860		
2.5 LED TV 84"	2 437		
2.6 Wall element for LED TV panel (laminated chipboard 98 cm. x 60 cm.)	136		

The TV rental price includes the cost of a wall mount or floor stand, as well as necessary accompanying cables such as HDMI, DVI-D or VGA (D-Sub). All TVs are equipped with USB 2.0 ports for USB media connection.

Ordering a wall element for LED TV panel is possible only for Standard Plus and Premium stands. If the participant uses his own TV, you also need his own metal bracket for self-mounting the TV to the LDPE panel with self-tapping screws. If you require a wall mount for an equipped stand, please order the LDF panel element for mounting the TV (code 239) using this form.

Please inform us what configuration you have chosen and what equipment you intend to connect to the TV.

Audio and video equipment is handed over to the exhibitor at the stand based on the Acceptance Certificate. If the exhibitor refuses to sign the Acceptance Certificate, the equipment will not be provided, and the order amount will not be refunded.

The equipment is installed on the stand on the last day of set-up ONLY in the presence of a responsible representative of the exhibitor. Please notify the ITE GROUP office at the exhibition when the equipment is ready for acceptance. The equipment will be installed usually within 2 hours of notification.

If the exhibitor does not arrive at the booth on the last day of installation, it may take longer to install the equipment on the first day of the show.

The exhibitor is financially liable for loss or damage to the rental equipment and must return the equipment to the exhibitor.

<i>Service</i>	<i>Price, EUR</i>	<i>QTY</i>	<i>Total, EUR</i>
----------------	-----------------------	------------	-----------------------

1. FASCIA PANEL TEXT

The desired lettering on the fascia panel is indicated on the "STAND DESIGN" page of these forms

1.1 Fascia panel text			free of charge
1.2 Additional fascia panel text	118		

The price of standard plus stand includes text in one language.
 Standard plus stands: grey text (Oracal 071), height of letters 100mm, font Arial.

Standard Premium: colour of text for Ferrara, Kremona – white, 010; for Verona, Ravenna, Ancona and Fabriano - your choice.

The color of fascia panel for Standard plus stands you may see on the page "Standard Shell Scheme PLUS"
 For **Standard Premium**, the colour of the fascia panel is presented in the design project of your stand

2. GRAPHIC WORKS

2.1 Logo on fascia panel, monochrome	117		
2.2 Logo on fascia panel, multiple colors	200		

If size of the logo exceeds 1m in length, then the size is rounded up to the nearest m. Cost is calculated accordingly.

2.3 Logo on wall panel, monochrome	159		
2.4 Logo on wall panel, multiple colors	317		
2.5 Color laminating with ORACAL film, per sq.m.	70		

Please select colour and the code of the film via <https://www.orafol.com/ru/europe/produkty/oracal-641-economy-cal>, and specify which items should be covered with full colour film.
 ORACAL film is calculated with rounding up to 0.5 square meters.

2.6 Laminating with digital photo print, per sq.m.	159		
--	-----	--	--

Exhibitors are not allowed to apply self-adhesive graphics to stand elements by themselves.

Technical requirements for graphic will be sent upon request.
 Laminating is calculated with rounding up to 0.5 square meters.

2.7 Banner (producing and mounting), per sq.m.	210		
--	-----	--	--

The minimum area for ordering is 5 sq.m.
 Technical requirements for graphic will be sent upon request.
 Banner is calculated with rounding up to 0.5 square meters.

2.8 Application of Exhibitors own Graphics, per sqm	76		
---	----	--	--

Laminating with your own graphic materials.
 Please contact the manager of the ITE Group Technical Services Department to clarify the dimensions of the elements of the stand to be pasting, and date of your materials to be delivered by.

Exhibitors are not allowed to apply self-adhesive graphics to stand elements by themselves.
